Narrative

On Monday, November 30, 2020, at approximately 2047 hours, I responded to 1345 North Grandview Street in reference to two subjects shot.

As I was backing up Officer Syldor on a traffic stop, I noticed a person shot call on the CAD screen. I left the traffic stop and responded to the scene. I walked into the store and noticed nothing in plain view. I checked the rear of the store and noticed nothing.

I then assisted by closing off the scene with crime scene tape and awaited the Mount Dora Criminal Investigations Unit, Detective Hutcheson's arrival. I then went to the police station and filled out affidavits on what happened.

I then returned to the scene and advised the Mount Dora Police Department Communications Unit to call [redacted] towing and advised them the vehicle involved was ready to be towed. The vehicle is a 2007 Gray Honda Minivan [redacted] The vehicle was loaded onto the tow truck's bed and towed to the Lake County Crime Scene office in Tavares. I and CSI Officer [redacted] followed the tow truck until it was secured correctly. [redacted] then took possession of the vehicle.

I returned to the scene and helped secure the crime scene building by wrapping crime scene tape around the business.
