Honorable Mayor, Vice-Mayor and City Council Members:

Earlier today I received an email from the Attorney for the Petitioners seeking to change the City Charter through the Initiative process. I have attached the actual email hereto for your convenience; however, the gist of the email is that the Attorney is requesting to withdraw the Petitions and have the same returned to him. I have also attached my formal response that was sent following a pre-scheduled meeting with Supervisor Hays related to our next steps in the process. After you read through the attached documentation, should you have any questions, or would like to discuss this matter further, please do not hesitate to contact me.

Re: Withdrawal of Petitions proposing amendment to
City of Mount Dora Charter

Dear Mr. Vason:

I am in receipt of your email dated August 23, 2021, wherein you provide notice of your desire to withdraw the Petitions which were hand-delivered to the City of Mount Dora City Clerk under your cover letter dated August 17, 2021. As you know, on August 18, 2021, the Petitions were transmitted by the City of Mount Dora to the Lake County Supervisor of Elections for verification purposes. As stated in my response email earlier today, the Petitions are a public record, in the possession of the Lake County Supervisor of Elections, and you will need to contact his office related to obtaining copies of the same pursuant to Florida Statutes, Chapter 119.

If you have any questions or need anything additional, please do not hesitate to contact me.

Sincerely,

Sherry G. Sutphen
