

Phase 2 Cable Pulling

Week 1 8/8 – 8/11 Area in Donnelly Park and rear of 404 Royellou are closed

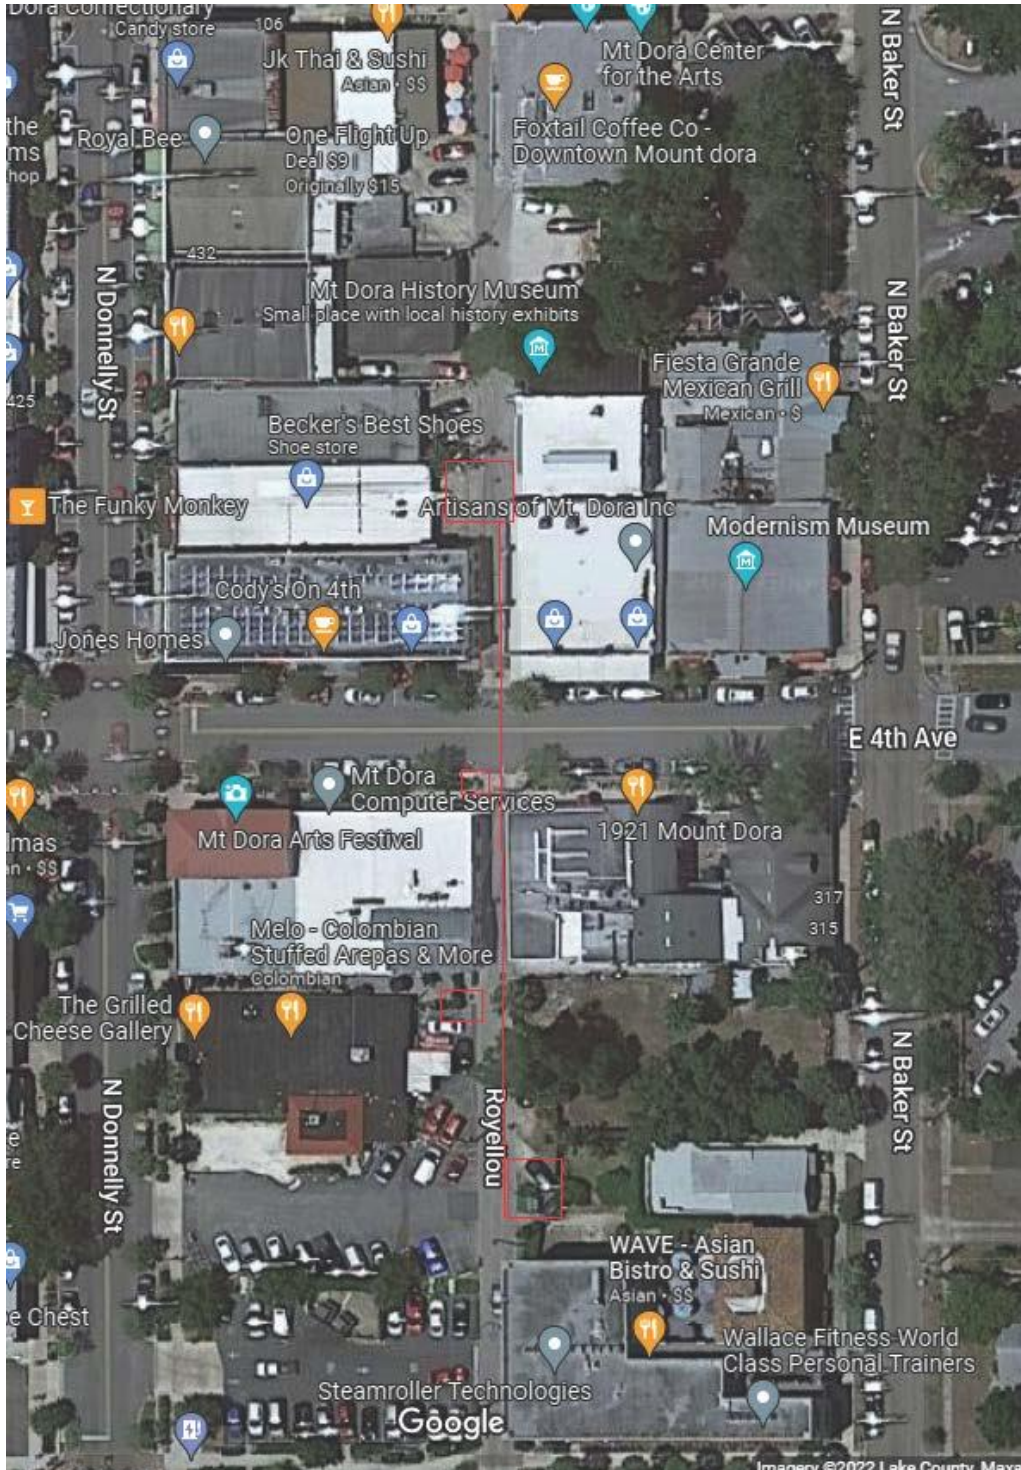

From 7:00 am to 4:30 pm, it is planned to pull wire and set transformer pads. The boxes outlined in red on the map below will be closed due to equipment and workers in the area. You may see workers along the route between the boxes as cable will be pulled into the new conduit system. It is planned that Royellou will be completely open each evening after 4:30 pm.
