

Application for Leak Adjustment

CITY OF
MOUNT
DORA™

Customer Service Division, 510 N. Baker St., Mount Dora, FL 32757 – 352-735-7118

To be eligible for a leak adjustment, the property must not have had a leak during the last 12 months. The property owner is required to provide proof that the leak has been corrected. Evidence to this effect can be a receipt for the services provided. In the event the leak is repaired by the homeowner a receipt for the purchase of materials to repair the leak or a statement certifying the leak was repaired. (Receipts attached to the application and the worksheet determining the actual adjustment).

At the discretion of the City; the City may elect to send an employee to verify that the meter is no longer turning.
