Mount Dora Mayor Elected to the Florida League of Mayors Board of Directors

Tallahassee, Fla. – Mount Dora Mayor Nick Girone was elected to the Board of Directors of the Florida League of Mayors (FLM) for a term ending August 2019.

“It is a distinct honor to have been elected to the Board of Directors of the Florida League of Mayors. Our cities have been facing a constant barrage of legislative actions with the goal of diminishing the ‘Home Rule’ of the municipalities throughout this State. I am proud to be able to work with other Mayors, in a cooperative fashion, to have a strong voice in the struggle to maintain the government that is closest to the people, our cities.”

The Florida League of Mayors is an organization for mayors and is governed by a Board of Directors of mayors from around the state representing geographical districts.

The general purpose of the League of Mayors is to provide a forum for Florida mayors to jointly study, and assist each other in solutions to, problems faced by Florida’s municipalities, to work cooperatively for the general improvement and efficient administration of Florida’s municipalities, and to promote the exchange of ideas and experiences in successful methods of administration of Florida’s municipalities.
